Overview of CheapTickets Cancellation Policy

The cancellation policy on CheapTickets is primarily based on the fare rules set by airlines and hotels. When you book a flight or hotel through CheapTickets +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), you are agreeing to both their platform terms and the supplier’s specific conditions. This is why two different bookings on the same website may have completely different cancellation rules.

For flights, most low-cost or promotional fares are non-refundable. This means if you cancel +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), you may not receive any money back unless the airline allows exceptions. Flexible fares +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), on the other hand +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), may allow free cancellations or partial refunds depending on timing.

For hotels +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), cancellation flexibility is usually better +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), especially if you choose “free cancellation” options at booking. These bookings typically allow cancellation up to a specific deadline +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), such as 24 to 72 hours before check-in. After that time +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), charges may apply +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), and in some cases

CheapTickets itself may also charge a service fee depending on the type of change or cancellation requested. This fee is separate from airline or hotel penalties.

How Flight Cancellations Work on CheapTickets

When you cancel a flight booked through CheapTickets +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), the refund or credit depends on the airline's fare rules. If the ticket is refundable +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), you may receive your money back after cancellation. However, processing fees and airline penalties may still be deducted.

Non-refundable tickets usually do not qualify for cash refunds. Instead +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), some airlines may offer travel credits that can be used for future bookings. These credits often come with expiration dates and usage restrictions.

If your flight is canceled by the airline, you are generally entitled to a refund or rebooking option. In such cases +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), CheapTickets acts as a mediator to help process the request with the airline. However, the final decision still rests with the airline.

Timing also plays a role in cancellation eligibility. Some airlines offer a 24-hour risk-free cancellation window +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), which allows passengers to cancel within one day of booking without penalty. This policy is common in the United States and applies to many flights booked in advance.

If you receive travel credits instead of a cash refund +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), they are usually issued directly into your airline or CheapTickets account. These credits can be used for future bookings, but they may have restrictions such as blackout dates or limited validity periods.

It is also important to note that some service fees charged by CheapTickets may not be refundable even if the airline or hotel provides a refund.

Change vs Cancellation on CheapTickets

Many travelers confuse changes with cancellations. On CheapTickets +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), modifying a booking is often treated differently from fully canceling it.

These changes may incur airline fees, fare differences +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), and CheapTickets service charges. Cancellation +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), on the other hand +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), means completely terminating the reservation. Once canceled +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), you may lose the ticket value depending on fare conditions.

Some airlines allow same-day changes or flexible modifications at reduced costs +44 800 208 8921 (UK) or +1-(866)-690-(1240) (US), especially for premium fare classes.
